#### Why charge for registration?

A convention is an important opportunity to share the AA experience in a broad way. One of the most common misconceptions of these gatherings is that they are AA meetings, and since "There are no dues or fees for AA membership..." there should be no fees to attend. Conventions are special events, not regular meetings; they require months of preparation to present. For events such as ours, there is a charge for the use of facilities and services, and as responsible AA members, "we pay our own way." We pay for food, coffee and sundries for attendees, travel and lodging for speakers, printing of flyers and schedules, postage and supplies.

This convention is self-supporting; AA group monies are not used to pay for this event. The cost of the event is paid through your registration fee. Our financial goal is to break even. We hope you agree the cost is nominal compared to the fellowship, fun, entertainment and recovery you will experience.
