

THE SCOOP October 2026

Important – Intergroup is seeking a member to be our activities chair. Also, we are seeking a member at large, for which you must have 15 years of sobriety.

**We are self-supporting through our own contributions-
“There is a place in AA where spirituality and money would mix, and that was in the hat!” Bill W.**

Step 10 – Continued to take inventory and when we were wrong, promptly admitted it.

It is EASY to let up on the spiritual program of action AND rest on our laurels. We are headed for trouble if we do, for alcohol is a subtle foe. We are not cured of Alcoholism. What we really have is a daily reprieve contingent on the maintenance of our spiritual condition. Every day is a day when we MUST carry the vision of GOD’S will into all of our activities. “How can I best serve Thee-Thy will (not mine) be done.”

If we have carefully followed directions, we have began to sense the flow of His Spirit into us.

Tradition 10 – Alcoholics Anonymous has no opinion on outside issues, hence the AA name ought never be drawn into public controversy.

Concept 10 Every service responsibility should be matched by an equal service authority, with the scope of such authority well defined.

Personal Story – Emma – Taking her 6 months chip
I'm so grateful. So, so grateful for today and for everything positive in my life. There was a time I'd let all the good slip away, watching my opportunities and potential dissipate as I craved nothing more than the chaos and substances that were destroying the person I once prided myself on being. Six months ago, was the time I made the best and hardest decision I have ever made. That sweet little, with big dreams and a bigger heart, who was wise beyond her years was going to be able to be preserved. That little girl didn't deserve the timeline I put her through. She deserved love and serenity. Today, I am so proud of the serenity recovery has brought me. I'm still climbing that hill, but I won't let this peace slip away. Before this journey, I didn't want to be me, let alone here on this earth. These rooms and the abundance of love in my life have taught me at least one thing, that it is never too late to give yourself grace, and its never too late for a welcome chip. Thank you.
