LOVE

STEP 8 – *Made a list of all persons we had harmed and became willing to make amends to them all.*

“Faith without works is dead” You have a list of all persons you have harmed and to whom you are willing to make complete amends. **You made it when you took inventory.** You subjected yourself to a drastic self-appraisal. Now you are to go out to your fellows and repair the damage you did in the past. You are to sweep away the debris which has accumulated out of your effort to live on self-will and run the show yourself. IF you haven't the will to do this, ask until it comes. Remember you agreed at the beginning you would go to any lengths for victory over alcohol. BB pg 76

“Our real purpose is to fit yourself to be of maximum service to GOD and the people about you.” BB pg 77

Tradition 8 – Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.

“Freely ye have received, freely give.” 12 and 12 pg 168

My passion in AA is being involved in H and I (hospitals and institutions). Before coming to AA I was arrested multiple times for domestic vandalism and DUIs. Due to my behavior, my work license was in jeopardy. I was at a crossroad – “go to the bitter end, blotting out the consciousness of our intolerable situation as best we could or accept spiritual help.” Pg 25 Big book of AA. The night before I got sober, I got on my knees and prayed “God, Help me!” My journey in AA began and even through the good times and the bad I have acquired 20 years of sobriety.

Early in my recovery, I ended up in jail due to driving with a suspended license. The women there were mostly there due to drugs and alcohol issues. This got me thinking of how much AA can help in places like this.

In 2016, just months before my sponsor moved to another state, she guided me to be involved in H and I at the California state prison in Lancaster. In that community, folks were like us – those who work the steps are more at ease in life and their focus is helping others.

Carrying the message and literature to places where people are unable to leave for a meeting is one of the most rewarding service work I practice as an instrumental part of my recovery.
